

2026-27 Registration for RETURNING Students

Re-enrollment is NOT automatic - all returning students must register and pay the \$50/student registration fee. Please go to <https://alfalah.getalma.com> or open the Alma app and log in to your parent account. A parent Alma account is required to re-enroll. If you can not access your account, please see below:

- *I have NEVER accessed my parent Alma account.* Please email registrations@icnschool.com to request your Alma account activation email. Once you have received confirmation that the activation email has been sent, look for this email in your Inbox or Junk/Spam folder. Please read and follow the instructions in the email to activate your account.
- *I have accessed my Alma account in the past, but I don't remember my username.* Please email registrations@icnschool.com and your username will be provided.
- *I don't remember my password.* Click on "Forgot password?" to reset your password.

Once logged in to Alma, follow the directions below to complete the re-enrollment process for all your children. **Please remember to click the green "Submit" button** once the Registration Form is complete and the Registration Fee is paid.

1. Go to <https://alfalah.getalma.com> or open the Alma app and log in to your parent account. Select "Alma Start Forms and Tasks" under your child's account.
